

## **Protocol for Magnified Healing® Workshops India**

Beloved Magnified Healing® Teachers/Practitioners in India,

Due to the challenges we have been facing in India, with regard to teachers not getting updated with new content, blatant plagiarism of MH and skipping crucial content, we have to override what has been allowed for some decades. We didn't want to do that but, unfortunately, the lack of integrity and honesty of some teachers have forced us to change our Protocol for India.

### **A. 1<sup>st</sup> PHASE WORKSHOP TAUGHT IN PERSON:**

Kwan Yin is constantly transmitting new teachings to Rev. Gisèle King according to her spiritual development, which allows Gisèle to understand, put in writing the new concepts and give explanations on those teachings. You must review the workshop as many new teachings have been added to the manual and some sacred names and phrases have been incorporated into MH technique and practice. The new manual has more than 100 pages. In this case, those who review the workshop should obtain a new manual and new practice CD with the sacred names in it for themselves.

1. 1<sup>ST</sup> PHASE WORKSHOP - This is a 2- 2½ consecutive days workshop (minimum 18 hours excluding lunch and coffee breaks). Magnified Healing® evolves continuously and there is much information, explanations and directions to impart to the students. The kit for each student is the manual, certificate and the practice CD.
2. Beginning May 1, 2020 all who have taken the Magnified Healing® 1<sup>st</sup> Phase workshop in India between 1992 and April 2020 are empowered to give themselves healing, heal others, send distant healing, and especially send healing to our beloved Earth.
3. However, **no MH practitioner in India is allowed to teach the 1<sup>st</sup> Phase workshop unless they review the 1<sup>st</sup> phase workshop in person or online.** (The only exception are the MH teachers who took the workshops with Rev. Gisèle King). In other words, any practitioner who wants to become an official Phase 1 Teacher has to take the Review class with certain Teachers before they are allowed to teach. It is now mandatory. Only after attending the review class and doing the 11- day practice, that practitioner becomes a teacher and will be officially certified to teach Phase 1 workshop. Please check the official MH website in India to see our list of all officially certified teachers from India and for India @ : <https://magnifiedhealingindia.com/master-teacher-directory/>
4. All students who take the 1<sup>st</sup> Phase workshop in English must receive the complete kit: (manual + certificate + Practice CD.) Please order the English kits from our representative in India, Mrs. Rukhmini Punoose, @ [rukhminipunoose@yahoo.com](mailto:rukhminipunoose@yahoo.com).
5. The teachers may structure their own fees for the in-person workshops, bearing in mind that Kwan Yin wants Magnified Healing® to be available to everyone, but at the same time being a part of your own prosperity. There are current norms for determining the fees for all workshops. *There are many variables that enter into consideration such as the economic situation of a country and even in a specific area of that country where the economy might be more depressed;* if a teacher incurs traveling expenses such as airfare, rental of a venue, accommodation, etc., the fee should be higher; some teachers provide lunch and at times overnight accommodation for their out-of-town students. In all cases, the fee is adjusted accordingly. For this reason, the fee for the workshops are never

posted when you list your workshop(s) in the Upcoming Events page of the MH website. Please contact our representative in India, Mrs. Rukhmini Punoose, @ [rukhminipunoose@yahoo.com](mailto:rukhminipunoose@yahoo.com) for suggested fees.

6. Please continue to send all the List of Students forms and photos of the certificates to the emails: [sales@magnifiedhealing.com](mailto:sales@magnifiedhealing.com) and [rukhminipunoose@yahoo.com](mailto:rukhminipunoose@yahoo.com). Teachers and students from India must be registered in India and the USA. Teachers have to submit the List of Students Form (excel spreadsheet) within 5 days after a class. Ms. Rukhmini Punoose can refuse to sell new certificates/manuals unless she gets the forms from the teachers.
7. We recommend that everyone take photos of their certificates and registration forms, so that in case they lose them, they have proof that they took the 1<sup>st</sup> Phase workshop. The process to get a replacement certificate can be very lengthy.
8. We no longer have the Magnified Healing essence. You can now buy the initiation oil in your country and empower it in your own home. All explanations on the use of initiation oil are in the updated English 1<sup>st</sup> Phase manual. You will learn about it when you review the 1<sup>st</sup> Phase workshop with Ms. Rukhmini Punoose or any other MH teacher who is officially certified to teach the 1<sup>st</sup> Phase workshop in India. Link to find teachers: <https://magnifiedhealingindia.com/master-teacher-directory/>
9. All MH practitioners/teachers have to join the Official India WhatsApp group created by Rukhmini Punoose. If you cannot join the WhatsApp group, please contact Rukhmini to get updates and submit your registration form.
10. If you review the 1<sup>st</sup> Phase workshop in person, you will receive a paper Review Certificate.

## **B. PREREQUISITES TO ATTEND THE ONLINE 1<sup>st</sup> PHASE REVIEW CLASS:**

11. The online Phase 1 review class can only be done with listed teachers who have done the 3<sup>rd</sup> Phase Practitioner workshop. Please check the names of the officially certified teachers with our representative in India, Ms. Rukhmini Punoose, [rukhminipunoose@yahoo.com](mailto:rukhminipunoose@yahoo.com) @ <https://magnifiedhealingindia.com/master-teacher-directory/>
12. All students have to submit their official MH 1<sup>st</sup> Phase certificate in order to be accepted for the online review class. If you don't have it nor can't prove that you took the workshop, you need to take the 1<sup>st</sup> Phase Workshop as a new student, in person;
13. To attend the 1<sup>st</sup> Phase Review workshop/class you must have the latest edition of the 1<sup>st</sup> Phase Manual or an edition that has the practice with the Sacred Names and also the practice CD with the Sacred Names. This material should be purchased from Rukhmini Punoose, the India Country Representative of Magnified Healing®;
14. However, if you already have the new CD and the manual that contains the Sacred Names of God, initiation oil article and Nervous System articles, you do not need to purchase the manual and CD. You need to send Rukhmini Punoose a photo of your manual and CD with a date and signature of your name on the practice CD and the same (signature and date) next to the word 'Edition' on the Edition page at the beginning of the manual. This is the only way for us to confirm that you have the proper manual and newest Practice CD.

15. If you never taught a 1<sup>st</sup> Phase workshop but would like to attend this class to review, study and understand the teachings on a more profound level, you will receive a Participation Certificate. You will not be certified to teach the Online 1<sup>st</sup> Phase ReviewClass.
16. If after receiving your certificate of participation you teach a 1<sup>st</sup> Phase workshop to 5 in-person students, and decide that you wish to teach online, you will be required to attend an online review class again in order to be certified to teach it. We suggest that you teach a workshop to 5 in-person before taking the online review class. In this case, some certified teachers might offer you the Online Review for a much lower fee, or even for free.
