

## Guidelines for Magnified Healing® Workshops in India

### **1<sup>st</sup> PHASE WORKSHOP TAUGHT IN PERSON:**

Kwan Yin was constantly transmitting new teachings to Rev. Gisèle King according to her spiritual development, which allowed Gisèle to understand, put in writing the new concepts and give explanations on those teachings. We strongly recommend that you review the workshop as many new teachings have been added to the manual and some sacred names and phrases have been incorporated into Magnified Healing technique and practice. The new manual (2017 and newer editions) and Practice MP3 have Sacred Names and Expressions, new teachings and articles. It has 84 pages plus 20 pages with pictures showing the movements for the Healing of self and of others.

### **PRE-REQUISITE TO ATTEND THE IN-PERSON 1<sup>ST</sup> PHASE WORKSHOP:**

○ A knowledge and understanding of basic metaphysical concepts such as karma, spiritual centers (chakras), Hierarchy, Threefold Flame, Violet Fire, Ascension. The Internet and spiritual books are excellent resources to learn about these concepts. Other healing or vibrational modalities such as Reiki, Light Touch, etc., are not Pre-requisites for learning the Magnified Healing teachings.

1. This is a 2 or 2½ consecutive days workshop (minimum 16 hours). Magnified Healing® evolves continuously and there is much information, explanations, and directions to impart to the students. The kit for each student is a manual, certificate and the MP3. The new manual has more than 100 pages. In this case, those who review the workshop should obtain a new manual and new MP3 with the sacred names in it for themselves.
2. Beginning 01 May 2020, all who have taken the Magnified Healing® 1<sup>st</sup> Phase workshop in India between 1992 and April 2020 are empowered to give themselves healing, heal others, send distant healing, and especially send healing to our beloved Earth. However, any practitioner who wants to become an official 1st Phase Teacher has to take the Review class with certain Teachers before they are allowed to teach. It is now mandatory. Only after attending the review class and doing the 11- day practice, that practitioner becomes a teacher and will be officially certified to teach 1st Phase workshop. Please check the official MH website in India to see our list of all officially certified teachers from India and for India @ : <https://magnifiedhealingindia.com/master-teacher-directory/>
3. All students who take the 1<sup>st</sup> Phase workshop in English must receive the complete kit: (manual + certificate + MP3) Please order the English kits from our representative in India, Mrs. Rukhmini Punoose, @ [rukminipunoose@yahoo.com](mailto:rukminipunoose@yahoo.com)

### **PRE-REQUISITES TO TEACH THE IN-PERSON 1<sup>ST</sup> PHASE WORKSHOP:**

- To have practiced the 1<sup>st</sup> Phase for at least 11 consecutive days.
  - Magnified Healing® Practitioners who took the 1<sup>st</sup> Phase workshop before 2017 must take the 1<sup>st</sup> Phase Review plus Advanced Studies Class Online (or in person) if they want to teach 1st Phase in person. *Before 2017 1st Phase Practitioners/teachers did NOT learn the practice with the Sacred Names, the article 'Connection of the Nervous System / Primary Glands and Building of the Light Body' and the Essential Oil article*. It is mandatory that they purchase the current manual and MP3 for the 1<sup>st</sup> Phase Review plus Advanced Studies Class Online (or in person).
  - Magnified Healing® Practitioners who took the 1<sup>st</sup> Phase workshop in 2017 or later (*who have learned the practice with the Sacred Names, the article 'Connection of the Nervous System / Primary Glands/ Building of the Light Body' and the Essential Oil article*), do not need to take the 1<sup>st</sup> Phase review class (neither online nor in person) if they want to teach 1<sup>st</sup> Phase in person.
1. The 1<sup>st</sup> Phase kit for each student is the hard copy manual + certificate + the MP3 (for those taking the workshop in English, Hindi, Spanish, Portuguese, Dutch, Italian, Chinese and German).

2. For all the other languages the kit is manual + certificate because we do not have the MP3 in those languages yet.
3. Please see the last pages of this document for prices.
4. Please send all the List of Students forms and photos of the certificates to the emails: [sales@magnifiedhealing.com](mailto:sales@magnifiedhealing.com) and [rukhninipunoose@yahoo.com](mailto:rukhninipunoose@yahoo.com). Teachers and students from India must be registered in India and the USA. **Teachers have to submit the List of Students Form (excel spreadsheet) within 5 days after a class.** Ms. Rukhmini Punoose can refuse to sell new certificates/manuals unless she gets the forms from the teachers.
5. We recommend that everyone take photos of all their certificates and registration forms, so that in case they lose them, they have proof that they took the 1<sup>st</sup> Phase workshop. The process to get a replacement certificate can be very lengthy.
6. We no longer have the Magnified Healing essence. You can now buy pure lavender essential oil in your country and empower it in your own home. All explanations on the use of the lavender essence oil are in the updated English/Hindi 1<sup>st</sup> Phase manual. You will learn about it when you review the 1<sup>st</sup> Phase workshop with Ms. Rukhmini Punoose or any other MH teacher who is officially certified to teach the 1<sup>st</sup> Phase workshop in India. Link to find teachers: <https://magnifiedhealingindia.com/master-teacher-directory/>
7. All MH practitioners/teachers have to join the Official India WhatsApp group created by Rukhmini Punoose. If you cannot join the WhatsApp group, please contact Rukhmini to get updates and submit your registration form.
8. If you review the 1<sup>st</sup> Phase workshop in person, you will receive a paper Review Certificate.

## **PRE-REQUISITES TO ATTEND THE 1<sup>ST</sup> PHASE REVIEW WITH ADVANCED STUDIES CLASS ONLINE OR IN PERSON**

- Be computer knowledgeable – to have and know how to use programs like Adobe, Excel, Dropbox, Word, Media Player. Also, must know how to use video conferencing programs such as Teams, Zoom, Google Meet, GoToMeeting, etc. We suggest Power Point for the presentations during the class.
  - Before you can study all the new articles to experience and understand the energy of Magnified Healing, you need to do your daily 1<sup>st</sup> Phase Practice for **at least 2 months** immediately prior to the date of the Online 1st Phase Review plus Advanced Studies class.
  - All students (1<sup>st</sup> Phase Practitioners/Teachers) have to submit their official MH 1<sup>st</sup> Phase certificate in order to be accepted for the online 1st Phase Review plus Advanced Studies class. If you don't have it nor can't prove that you took the workshop, you need to take the 1<sup>st</sup> Phase Workshop as a new student, in person or online.
  - To attend the 1st Phase Review with Advanced Studies class you need to have the latest edition of the 1<sup>st</sup> Phase Manual or an edition that has the practice with the Sacred Names and also the MP3 (or practice CD) with the Sacred Names. This material should be purchased from Rukhmini Punoose, the India Country Representative of Magnified Healing®.
  - However, if you already have the new MP3 (or CD) and the manual that contains the Sacred Names of God, Lavender Essential Oil article and Nervous System articles, you do not need to purchase the manual and MP3. You need to send Rukhmini Punoose a photo of your manual and CD/or MP3.
1. The online 1<sup>ST</sup> Phase Review with Advanced Studies class can only be done with listed teachers who have done the 3<sup>rd</sup> Phase Practitioner workshop. Please check the names of the officially certified teachers with our representative in India, Ms. Rukhmini Punoose, [rukhninipunoose@yahoo.com](mailto:rukhninipunoose@yahoo.com) @ <https://magnifiedhealingindia.com/master-teacher-directory/>

2. The online review classes are LIVE. Students must be visible via video during the whole class. If you cannot see the student the whole time, the student did not take the class. Video and audio have to be turned ON.
3. Students are not allowed to record online classes. No translations/translators are allowed.
4. If you never taught a 1<sup>st</sup> Phase workshop but would like to attend this class to review, study and understand the teachings on a more profound level, you will receive a Participation Certificate. You will not be certified to teach the 1st Phase Review with Advanced Studies class.
5. The certification process takes between 2 to 4 weeks. For this reason, you cannot schedule any classes until you receive the e-certificate and the KIT for Teaching online (1<sup>st</sup> Phase Review or Advanced Studies). While you wait for your documents, please use this time to read the whole manual and Agenda to prepare your classes. Please study those 3 articles very well and practice the 1<sup>st</sup> Phase assiduously.
6. **Advanced Studies without the online review** – You must have taught Phase 1 to at least 1 person (in person). This class will be available in India to those students who have done the online phase 1 review in 2020 but haven't done the Advanced Studies. So many teachers want to teach just Advanced Studies to their fully updated students. This class takes 8-9 hours to teach.

### **PRE-REQUISITES TO TEACH THE 1<sup>ST</sup> PHASE REVIEW WITH ADVANCED STUDIES CLASS (ONLINE OR IN PERSON):**

- All Magnified Healing® Practitioners who wish to teach the Magnified Healing® 1st Phase Review with Advanced Studies Class online must have taken the Magnified Healing® 1st Phase Review with Advanced Studies Class online. That is, if they take this class in person, they will be able to teach it in person only, not online.
  - Be computer knowledgeable – to have and know how to use programs like Adobe, Excel, Dropbox, Word, Edit PDF, use Media Player. Also, must know how to use video conferencing programs such as Teams, Zoom, Google Meet, GoToMeeting, etc. We suggest Power Point for the presentations during the class.
  - To have done the 3<sup>rd</sup> Phase Practitioner workshop.
  - To have taken the Online 1st Phase Review with Advanced Studies Class with Rukhmini Punoose, or officially certified MH teachers. There is a list published on the MH website with the names of all teachers who are certified to teach online. Link: <https://magnifiedhealingindia.com/master-teacher-directory/>
  - To have taught the 1<sup>st</sup> Phase workshop at least once. Otherwise, you will be required to attend this class again after you have taught it once in order to be certified to teach it.
  - To teach it online, you need the 1st Phase Manual in digital format. Please place your order online: <https://magnifiedhealing.com/shop/first-phase-workshop-e-manual/> We only accept credit card payments or Western Union
  - To have the latest edition of the 1<sup>st</sup> Phase Manual and also the practice MP3 (or CD) with the Sacred Names. This material should be purchased with the representative in your country, Ms. Rukhmini Punoose, @ [rukhminipunoose@yahoo.com](mailto:rukhminipunoose@yahoo.com).
1. We strongly recommend that you do advanced studies twice to understand the new texts very well, consequently, becoming more confident and ready to teach it. The second time will be for a much lower fee. Please talk to you teacher or contact Mrs. Rukhmini Punoose, @ [rukhminipunoose@yahoo.com](mailto:rukhminipunoose@yahoo.com) for more information.
  2. Beginning June 2023, the 1<sup>st</sup> Phase Review Class will be taught with the Advanced Studies Class in 2-consecutive days. So, all the teachers who have taken the Review of the 1<sup>st</sup> Phase AND the Advanced Studies separately will be allowed and asked to teach them together from now on.

3. Maximum number of students for each 1st Phase Review with Advanced Studies Class online is ten (10). If you teach it in person, it is 15.
4. These review classes must be a minimum of 14 teaching hours divided in 2 ½ or 3 consecutive days (7 hours of teachings + coffee breaks + lunch). Consecutive days so that the Energy is not broken. If you have 3 students or less, you might be able to teach it in 12 hours. According to Rev. Gisèle King, who received those teachings and taught this workshop for 30 years, it was her experience that this review class including<sup>4</sup>the Advanced Teachings is not possible to be taught in less than 12 hours. Magnified Healing evolves constantly, especially since the Sacred Names were added to the daily practice. The practitioners need to receive more information, they need to know how to teach these Sacred Names to their students, and how to pronounce them correctly so they carry the correct vibration. Also, they need to receive all necessary explanations on the new articles. Teachers owe it to their students for them to be well prepared and confident to teach.
5. Please see the last pages of this document for prices.
6. You cannot schedule this class until you have received your e-certificate and the “**TEACHER'S KIT for online 1st Phase Review with Advanced Studies – ENGLISH**” from Valeria Pereira, from our USA Headquarters. Your e-certificate will be emailed to our representative, Rukhmini Punoose and she will e-mail it to you.
7. It is mandatory to cover the topics in the Agenda in your TEACHER'S KIT for online 1st Phase Review with Advanced Studies – ENGLISH (please ask Valeria Pereira for the kit)
8. You, the teacher, need to send an invitation to your representative Rukhmini Punoose ([rukhminipunoose@yahoo.com](mailto:rukhminipunoose@yahoo.com)). She may be present there to support you in your class.
9. All Magnified Healing® Online 1st Phase Review with Advanced Studies class certificates will be issued and documented by the Magnified Healing® USA Headquarters. It is an e-certificate so there will be **no shipping costs**. After your class, send to Valeria your Excel List of Students form and please purchase the certificates for your students. We only accept credit card payments or Western Union. There is a 3% Credit card surcharge applied to the total cost of your order. Please add this extra cost to the fee of your class. The e- certificate is listed as “digital certificate of attendance” on our online store and each one costs \$12.00 (plus \$4.00 handling per order). Link: <https://magnifiedhealing.com/shop/digital-certificate-of-attendance/>
10. The Teachers who have taken the Advanced Studies Online please contact Valeria Pereira at [sales@magnifiedhealing.com](mailto:sales@magnifiedhealing.com) to receive a TEACHER'S KIT to prepare the 1<sup>st</sup> Phase Review with Advanced Studies Class.

### **PRE-REQUISITES TO ATTEND THE 1<sup>ST</sup> PHASE WORKSHOP ONLINE:**

- The Magnified Healing® 1st Phase Workshop Online was introduced because of COVID and the fact that we have many people around the world who are interested in taking the workshop for the 1<sup>st</sup> time, but do not have a Magnified Healing® teacher in their country/city/province/region. You can also teach the 1st Phase Workshop Online to people who live outside India. The **Magnified Healing® 1st Phase Workshop Online should NOT be considered a substitute for the in-person workshop in cities where there are officially certified teachers available to teach it. It should only be taught to students in remote areas in India, who cannot travel to a larger city. If there is a teacher in the area where the student lives, please guide the student to that teacher. All certified teachers are listed on** Link: <https://magnifiedhealingindia.com/master-teacher-directory/>
- A knowledge and understanding of basic metaphysical concepts such as karma, spiritual centers (chakras), Hierarchy, Threefold Flame, Violet Fire, Ascension. The Internet and spiritual books are excellent resources

to learn about these concepts. Other healing or vibrational modalities such as Reiki, Light Touch, etc., are not prerequisites for learning the Magnified Healing teachings.

- To have reliable, steady internet access for the whole 2 days of the workshop. You will need to be by yourself in a quiet room, no interruptions are allowed. It is the same as an in-person workshop.
- To be computer savvy. The Magnified Healing® Workshop online will be taught with a digital manual, and new practitioners will receive the Magnified Healing® digital kit (e-manual, MP3 and e-certificate).
- Must know how use computer programs like Adobe, Dropbox, PDF editing, and video conferencing programs like Teams, Zoom, Google Meet, Skype, etc.

1. As part of the workshop, you will receive one digital manual ( in English or Hindi), an MP3 and one digital certificate. You will not be able to print or download the manual. You can only see it (visualize) online with different passwords. Hard copy manual can be bought from your representative.
2. Please see the last pages of this document for prices.

## **PRE-REQUISITES TO BECOME CERTIFIED TO TEACH THE 1<sup>ST</sup> PHASE WORKSHOP ONLINE:**

**The main objective is to reach students who are in other countries, isolated areas of the world, who cannot travel to take it in person, nor pay for hotel and other expenses.** If you live in a part of the world where we have a MH representative, the 1<sup>st</sup> Phase workshop online should be offered to new students (or review) outside your city, province/state/country. Teaching online will bring a chance for you to reach thousands of people who are too far away to learn it in person. That is, **if there are teachers available in a person's city or province/state, MH Teachers and representatives should urge students to take the workshop in person.** If you have a representative, before scheduling your online workshop, please contact them to see if there are teachers in the area where the student is.

Our Magnified Healing Family can expand so much. Those of you who become certified online teachers, will be able to teach people all over the world because the manuals and certificates will be digital, and the MP3, of course, is digital. To be able to teach people in places like Central America, Africa, Oceania, Middle East, Polynesia, Amazon, Asia, northern/western Europe and so many other places... is wonderful. That brings us great joy! Technology allows us to be present when we are physically so far apart. Hopefully it will make our Magnified Healing® family bigger, bring us closer and make it a better world. We also wish you Divine Blessings and Prosperity if you decide to embrace this new spiritual tool and endeavor.

### **PRE-REQUISITES TO ATTEND THE CELEBRATION WORKSHOP AND CEREMONY** (always in person):

- To be a 1st Phase Practitioner. No waiting period between the two workshops.
1. This is a 1 or 2-consecutive days workshop. It is a two-part workshop available to all Magnified Healing® Practitioners. It consists of the theory workshop (5-6 hours of teaching) and a Ceremony (2-4 hours depending on the number of guests) and is facilitated by the Workshop Graduates. It is a sacred Ceremony that Lady Master Kwan Yin brought to the earth in order to accelerate the healing of humanity and the earth and give us the awareness of our divine plan. Each Celebration Graduate will then be able to direct the Celebration, teach the Celebration and incorporate all phases into their own private healing sessions.
  2. The two-part Celebration workshop is a complete participatory process for all who attend and for the full value of the experience and certification, students are expected to attend both the workshop and the Ceremony. The kit for each student is a manual and a certificate.
  3. The Celebration Ceremony is open to the general public, except for children under 14 years of age. Everyone is invited to experience the profound and sacred energy of Magnified Healing and receive a healing. It is our gift to the community.

### **PRE-REQUISITES TO TEACH THE CELEBRATION WORKSHOP AND CEREMONY**

(this workshop is to be taught in person only):

- Have been certified as a Teacher/Director of the Magnified Healing® Celebration.
1. Please see the last pages of this document for prices.

### **PRE-REQUISITES TO ATTEND THE 3<sup>RD</sup>PHASE 'LIGHT HEALING' PRACTITIONER WORKSHOP:**

- Be certified as 1st Phase Practitioner at least 4 months prior to the 3rd Phase Practitioner workshop.
  - Must have taken the **1st Phase Review and Advanced Studies Class** (in person or online) to attend the 3rd Phase 'Light Healing' Practitioner Workshop. 1<sup>st</sup> Phase Practitioners need to understand the geometry of the 1st phase and the meaning of the body and hands positions before taking the 3rd Phase workshop. The Advanced studies classes are mostly taught online, but they can be taught in person as well. We have the manual in digital format and MP3. Link: <https://magnifiedhealing.com/shop/first-phase-workshop-e-manual-and-mp3/>
  - Do the Magnified Healing 1st Phase practice for 11 consecutive days prior to this workshop. The first day of the workshop is the 12th day.
1. Please see the last pages of this document for prices.

### **PRE-REQUISITES TO ATTEND THE 3RD PHASE PRACTITIONER TEACHER TRAINING WORKSHOP**

(this workshop is to be taught in person only):

- Have been certified as Practitioner of the 3rd Phase 'Light Healing' at least 6 months prior to the TT workshop.
- Have taught the 1st Phase workshop in person at least 3 months prior to the TT workshop.
- Have taken the 1<sup>st</sup> Phase Review and Advanced Studies Class (online or in person).
- Do the Magnified Healing 1st Phase practice for 11 consecutive days prior to the TT Workshop.

1. Magnified Healing® Practitioners should be certified as Teacher/Director of the Celebration workshop and Ceremony. Exceptions: In many countries, there are not many Celebration workshop teachers and they do not teach that workshop often. It is possible that there is no opportunity for a prospective TT student to attend a Celebration workshop to meet the requisite. It could be very costly for a student to travel and take that workshop depending on the economic situation in that country. In a case like this, you tell the student that you will make an exception and s/he will need to take the Celebration workshop at their first opportunity. At the TT level, they really need to know how to teach the Celebration workshop and organize a Ceremony for the general public. Our beloved Kwan Yin has told us that She wants every human being on the planet to experience the healing energy of Magnified Healing to accelerate their own ascension process and the collective ascension.
2. It is a 5-day workshop that trains and certifies them as a teacher of the 3<sup>rd</sup> Phase 'Light Healing' Practitioner workshop. Only Grand Master Teachers can teach this workshop. In India, the Grand Master is Rukhmini Punoose. You can contact her at [rukhminipunoose@yahoo.com](mailto:rukhminipunoose@yahoo.com). If you are outside India, please see list of Grand Master Teachers @ <https://magnifiedhealing.com/about-us/>
3. Please see the last pages of this document for prices.

## IN-DEPTH STUDIES FOR THE TEACHERS OF THE 3<sup>RD</sup> PHASE - ONLINE OR IN PERSON CLASS

(Only representatives can teach it)

Rev. Gisèle King and Kathryn Anderson, co-founders of Magnified Healing®, used to say that one day, they asked Kwan Yin if Magnified Healing® would be only the three phases presented to them. At that moment, Kwan Yin smiled and said that this is just the tip of the iceberg, meaning, we have only scratched the surface.

Throughout the last years before she made her transition into the Light, Rev. Gisèle King was working on some texts and getting them authorized by Kwan Yin. She was connecting spirituality and science in Magnified Healing®. Those texts show the connection between MH 3<sup>rd</sup> Phase 'Light Healing' and subjects such as biology, biochemistry, mathematics, neuroscience, and sacred geometry, among others.

Beginning June 2023 all over the world, a greater understanding of our path on Earth will be shared with the Magnified Healing® 3<sup>rd</sup> Phase Teachers. Unfortunately, there was no time for Rev. Gisèle King to deliver and present these teachings herself, as it was her will. So, respecting her wishes, Valeria Pereira and some Magnified Healing® Representatives got together throughout the last year to deepen the knowledge and understanding about the texts, and now they will be aligning all the teachings of the 3<sup>rd</sup> Phase with the new information from those texts.

It is especially important to emphasize that this is not a change in practice. The practice has been the same since it was first introduced in 1992. This is because it is complete and perfect. There is not a single comma in Magnified Healing® that is devoid of meaning. What we will be presenting are deeper explanations, so that Magnified Healing® 'Light Healing' is better understood in its magnificence.

For you, who took your Teacher Training workshop before 2023, to have access to these explanations, we invite you to take this class with one of our Representatives who are dedicating themselves to making the teachings and explanations in all workshops more uniform, regular, and consistent. With these studies, we will be speaking the same language regarding the 'Light Healing' teachings.

We would like to inform you that, soon, only the teachers who take these studies will be able to teach the 3<sup>rd</sup> Phase Light Healing® Practitioner workshop.

The prerequisite to take this class is to have taken the **Review and Advanced Studies of the 1st Phase**. This is a 2 or 2½-consecutive days class (minimum 16 hours, including lunch break).

The teachers will receive a digital certificate.

This class will stop existing once all teachers of the 3<sup>rd</sup> phase have taken it.

## PRICES

Kwan Yin wants Magnified Healing® to be available to everyone, but at the same time being a part of the teachers' own prosperity. *There are many variables that enter into consideration such as the economic situation of a country and even in a specific area of that country where the economy might be more depressed.* If a teacher incurs traveling expenses such as airfare, rental of a venue, accommodation, etc., the fee should be different. Some teachers also provide lunch, coffee breaks, snacks, etc. In all cases, the fee is adjusted accordingly.
